Spring into energy saving action  
with these no cost tips to help you  
save energy and save money!

- 1) Take advantage of longer evenings and use natural light.
- 2) Open your curtains wide to enjoy the warmth of the sun.
- 3) Bring the fresh air indoors by hanging laundry outside.
- 4) Wash and rinse your laundry with cold water.
- 5) Enjoy the warmer weather and have fun by hosting a backyard BBQ.
