Step 4: Declarations

Please review and check the box next to the statements below. If all three boxes are not checked, your application cannot be processed.

☐ **I hereby acknowledge** that I have read and understand all eligibility requirements for the TakeCharge Small Business Energy Savers Kit Program and I warrant and represent that my business complies with these requirements.

☐ **I declare** that I am the business owner, or an authorized representative, and that the information on this form is accurate and complete. I acknowledge and agree that neither Newfoundland Power Inc. nor Newfoundland and Labrador Hydro is the designer or manufacturer of the products available under this Program and they make no representations or warranty of any kind concerning such products or their installation. I acknowledge and agree that the provision of this kit does not constitute an endorsement or approval by Newfoundland Power Inc. or Newfoundland and Labrador Hydro or their directors, officers or employees of any goods or services furnished or rendered in connection with this program. The Applicant does hereby indemnify and save harmless Newfoundland Power Inc. and Newfoundland and Labrador Hydro and their affiliates, and their respective directors, officers, agents, contractors and employees, from all liability, damages, claims, demands, expenses and costs for claims, costs for injury or death of any person (including from any infectious disease outbreaks), damage to or destruction of property, and all economic loss suffered by any person (collectively, "Losses") arising from or occurring by reason of the Applicant's participation in the Program and/or the implementation of any Program recommendations, including the installation and/or use of recommended products and improvements. The Applicant irrevocably waives any and all claims against, and irrevocably releases and agrees not to sue Newfoundland Power Inc. and Newfoundland and Labrador Hydro, their affiliates or and any of their respective officers, directors, employees, agents, contractors or representatives for and against all Losses arising from the Applicant's participation in the Program and/or the implementation of any Program recommendations, including the installation and/or use of recommended products and improvements.

☐ **I understand** that TakeCharge uses a third-party service provider to process and deliver Energy Savers Kits on its behalf. I consent to Newfoundland Power Inc. and Newfoundland and Labrador Hydro sharing my personal information, including my name, address, and contact information, with this service provider for these purposes. I understand that the service provider may ship my kit directly to me on behalf of TakeCharge.

☐ **I agree** to remove all applicable existing products (e.g. incandescent light bulbs) and replace them with the items provided in my free Small Business Energy Savers Kit within three weeks of receival. I understand that by installing these products, I will be able to maximize the energy savings potential offered by the kit.

Signature of Customer:_____ **Date:**_____

Step 6: How to Apply

Apply online at **TakeChargeNL.ca** or mail this completed application to your electricity utility:

NEWFOUNDLAND POWER

When Will You Receive Your Energy Savers Kit?
The kit will be shipped once the application has been processed and approved. You will receive a tracking number for your kit from Purolator or Canada Post once the kit has been shipped from our facility. Please allow up to 8 weeks to receive your kit.

Privacy Notice
Except as otherwise explicitly consented to above, personal information submitted to TakeCharge regarding the Small Business Energy Savers Kit Program will only be used for the administration of the program. Precautions will be taken by TakeCharge to safeguard against the disclosure of your personal information.

Terms and Conditions
To be eligible for this kit, all required information must be completed, including a valid electricity account number. You must meet all eligibility requirements. Businesses that previously received a free kit issued through the TakeCharge program are not eligible to receive a second kit. Offer subject to change or cancellation without notice. Please allow up to 8 weeks to receive your kit. Newfoundland Power and Newfoundland & Labrador Hydro make no representations or warranties regarding any products within the kit and are in no way responsible for loss, injury or damage which may result from goods or services furnished or rendered in connection with this program. Newfoundland Power and Newfoundland & Labrador Hydro may visit your business to confirm product installation at any time within 15 months from when the kit application was processed. Any misrepresentations may disqualify the Applicant from participation in future TakeCharge programs.
