How did you hear about this rebate?: _____

I agree to receive correspondence from my electric utility containing news, updates and promotions regarding electric service and related services and programs. You can withdraw your consent at any time. Please refer to our Privacy Policy or contact us for more details.

Business Eligibility

- To be eligible, your business must have an active commercial electricity account.

Product Eligibility

- Must be a retrofit to an existing motor not previously integrated with a VSD; motor runs $\geq 2,000$ hours/year; must control frequency in response to a variable load; soft-start-only not eligible; must be certified for use in Canada.
- Must be used on listed applications (e.g., supply/return/exhaust/make-up air fans, chilled water pump, etc.).

How to Buy and Install

- Must be installed by a registered Electrical Contractor in the province of Newfoundland and Labrador. A copy of the distributor, retailer, and/or installer invoice must accompany the application.
- The invoice must specify quantity of qualified systems, manufacturer, model number, material and labour costs.

I declare that I represent the company for whom this rebate is being submitted and that the information on this form is, to the best of my knowledge, accurate and complete. I acknowledge that the work was carried out as described above and that this rebate does not constitute an endorsement or approval by Newfoundland Power Inc. or Newfoundland and Labrador Hydro or any of their employees of any goods or services furnished or rendered in connection with said work.

Signature: _____

Date: _____

***TERMS AND CONDITIONS:** To be eligible for this rebate, all required information must be completed, including a valid electricity account number and a copy of the purchase receipt dated on or after April 1, 2026. Applicant must meet eligibility requirements. Offer subject to change or cancellation without notice. Please allow up to 8 weeks for the on-bill credit. Both utilities will not honour warranties and guarantees and are not responsible for any damage caused by the installation of these products. Newfoundland Power and Newfoundland and Labrador Hydro may visit your business and confirm installation at any time within 15 months from when the rebate was processed.

03/26
